

Fact Sheet

ProjectCorps™ is a Seattle-based strategic consulting company providing integrated, creative solutions that empower our clients to solve their toughest business and operational challenges.

Founded in 1999, ProjectCorps' mission is to support organizations by helping them identify the most direct route to meeting their goals and the specific steps they need to take to deliver immediate value.

ProjectCorps serves a client base that spans industry sectors from global corporations to governments, leading healthcare providers to major ports, top manufacturers to public utilities and private energy providers.

Helping large organizations stay ahead of the curve in a rapidly changing environment or in the midst of a deep crisis is our forte.

The professional staff at ProjectCorps combines decades of complex business experience with a disciplined approach, real-world insights, and the internal drive to exceed expectations.
